

FMCA Golden Spike Chapter

(<http://www.fmcagoldenspike.com>)

We are an FMCA Chapter that enjoys riding the rails! Our rallies are in historic places throughout the west that have a railroad history. Our activities involve riding historic trains where they exist or enjoying the railroad/history if there are no trains to ride. We have ridden trains that serve dinner, trains that get robbed, trains in big modern cities and trains near ghost towns. We enjoy BBQ, potlucks, happy hours and conversation.

We formed as an FMCA Chapter in 1998 and currently have over 50 members. In a typical year, we will have 2-3 rallies and join the WMHA in Indio. We often attend the FMCA International Rallies in the West and the Northwest Area Rallies. Our members are from many areas: Northern CA, Southern CA, Arizona, Nevada, Washington, Oregon and even Montana, Texas, Florida and New York!

In the past few years we have rallied in:

Santa Cruz CA, Tehachapi CA, La Grande OR, 29 Palms, Orange CA, Sedona AZ, Portola CA, Tillamook OR, Alamosa CO, Grass Valley CA, Lewiston MT, San Diego, Willits/Ferndale and Carson City NV. Most recently we completed "Hell on Wheels" with rallies in Ely NV, Ogden, Brigham City and Heber City UT. We attended the 150th anniversary of the driving of the Golden Spike and several rigs continued east through Cheyenne to Council Bluffs. We have joined FMCA in Redmond OR, Pomona CA, and Albany OR.
