

Western Area
FMCA Rally
JANUARY 11-15, 2012

IMPORTANT REMINDERS

This is a reminder to register and also an announcement of the changes for the Western Area FMCA Rally in Indio, 2012.

First... We will be meeting at the Wal-Mart Parking lot 1 day earlier than usual-Sunday before the rally. This will allow us better parking opportunities and less confusion entering the rally grounds.

Second... There will be a \$20 charge for the extra day to be collected on the rally grounds.

Third... Electricity will be \$50 for a 30 amp service for the rally this year.

Forth and lastly... Bill Hall needs to know if you will be attending the rally and parking with our Golden Spike group by **NOVEMBER 28!** This is so he can order the Volunteer windshield sign.
